

WEDDING INFORMATION PACKAGES

*Congratulations
on your Engagement.*

WE ARE DELIGHTED
THAT YOU AND YOUR PARTNER ARE CONSIDERING

Chateau

W Y U N A

FOR YOUR SPECIAL DAY.

Chateau Wyuna is a truly unique, award winning reception centre,
conveniently located at the foothills of the glorious Dandenong Ranges.

Ceremonies

ALL CEREMONY AREAS ARE INCLUDED IN OUR WEDDING PACKAGES AT NO EXTRA COST.

Under the Pergola

Our Pergola offers an intimate garden feel for your ceremony. Set up includes 40 chairs, along with topiary trees to delineate your aisle, an arch with flowers and a signing table. Up to an additional 40 chairs are available at a cost of \$3 per chair.

Deluxe Pergola Upgrade

White organza sashes on the aisle chairs, white fabric draping above your guests and on the arch, as well as white paper lanterns scattered along the wooden beams.

The extra cost is \$250.

In front of the Waterfall

Our Waterfall enables you to make a grand entrance over our footbridge to your partner. This includes a red-carpet runner and 20 chairs, as well as a signing table.

There is a large area for the remaining guests.

The Chapel

The Chapel is heritage-listed & over 100 years old. Relocated to Chateau Wyuna in the mid 1980's, it has a true country Chapel feel but is not overly religious in appearance. Non-denominational, the Chapel has seating for at least 80 guests and additional standing room at the back which provides a comfortable capacity of up to 110.

Treetop Room

The Treetop Room is available as an alternative wet weather fallback for weddings, particularly those with more than 110 guests.

Reception Rooms

**WE HAVE TWO RECEPTION ROOMS FOR YOU
TO CHOOSE FROM - BUT REMEMBER WE ONLY HOST
ONE EVENT AT A TIME!**

The Burgundy Room

This is the larger of our two reception rooms, with seating for up to 150 guests. With fairy lights above the dance floor and a large multi-purpose space called the Alpine Lounge (perfect for photo booths, children's play areas or just a relaxed lounge area for guests to escape to), the Burgundy Room is ideal for either lunches or dinners.

With warm timber and a cosy feeling, it has plenty of character.

The Treetop Room

Set amongst a canopy of trees, the Treetop Room has soft colours and windows along two sides of the room giving panoramic views from the wrap around balcony and refurbished terrace. Perfect for those who want a

smaller, more intimate affair, the Treetop Room has seating for up to 80 guests. It is ideal for a casual lunch time wedding, or for an unforgettable intimate evening soirée.

Fairy lights twinkle above both **dance floors**, giving an extra sparkle to your event and each has a dance floor at one end meaning there is a separation between dining and dancing.

The dancers can party on the dance the floor, while those who want to catch up with others can do so without interruption by those dancing.

A **fully stocked bar** is available in both rooms, with the option for your guests to purchase their own spirits, or for a tab to be put on the bar.

Both reception rooms have **outdoor areas** for those who smoke, as well as those who wish to escape for a short while!

With our extensive range of chair covers, chair sashes, table runners and included centrepieces, either room can be decorated to suit your individual style and needs.

AND DON'T FORGET THE...

Log Cabin Bridal Lounge

Everyone who is married at the Chateau can use the heritage listed log cabin for photographs (a great fall back if the weather is not great!) and as somewhere to relax with your bridal party after you have been married and had your photographs but before you enter the reception as a married couple.

It's a great location to relax with canapés and a few drinks, with an ensuite bathroom immediately next door for when you need to freshen up..
